

# INDEPENDENT CO-PAY ASSISTANCE FOUNDATIONS

**Here is a list of independent co-pay assistance foundations that may be able to help patients who are encountering hardships affording their prescribed medications.**

This is not a comprehensive list of foundations. This list is for informational purposes only and is based on information made available by the independent foundations. Because each foundation sets its own eligibility and application process and is independent from Merck, there is no guarantee a patient will receive any type of assistance or that funding is available.

Please contact each foundation directly to obtain more information.
